

BERDAV[®] EULA (End User Licence Agreement)

By purchasing prefabricates from **BERDAV[®]**, you are agreeing to the following terms of use:

SCULPTMAPS (textures):

- you **MAY** use the textures to create your own prims which can be used in the builds you sell in SecondLife[®] or on the Marketplace[®].
- you **MUST NOT** sell or give away the SculptMaps to any third person in SecondLife[®] or share these textures with anyone outside SecondLife[®] including but not restricted to websites and other virtual worlds.
- we sell the SculptMaps **NO MOD** and protected by an **ALPHA CHANNEL**.

SCULPTED PRIMS:

- you **MAY** use the pre-created prims in the builds you sell in SecondLife[®] or on the Marketplace[®].
- you **MUST NOT** distribute the pre-created prims or prims created by using **BERDAV[®]** SculptMaps with **COPY+TRANSFER** or **FULL** permissions.

SHADOWMAPS (textures):

- you **MAY** use the textures for texturing the builds you sell in SecondLife[®] or on the Marketplace[®].
- you **MAY** download these textures to your computer and modify them as needed. Again you **MAY** use the modified textures for texturing the builds you sell in SecondLife[®] or on the Marketplace[®].
- you **MUST NOT** sell or give away the original or modified textures to any third person in SecondLife[®] or share these textures with anyone outside SecondLife[®] including but not restricted to websites and other virtual worlds.

SCRIPTS:

- you **MAY** use the scripts in the builds you sell in SecondLife[®] or on the Marketplace[®].
- you **MUST NOT** distribute the scripts with **MODIFY** permissions or the scripts' content to any third person in SecondLife[®] or outside SecondLife[®] including but not restricted to websites and other virtual worlds.

TEXTURES:

- you **MAY** use the textures for texturing the builds you sell in SecondLife[®] or on the Marketplace[®].
- you **MAY** download these textures to your computer and modify them as needed. Again you **MAY** use the modified textures for texturing the builds you sell in SecondLife[®] or on the Marketplace[®].
- you **MUST NOT** sell or give away the original or modified textures to any third person in SecondLife[®] or share these textures with anyone outside SecondLife[®] including but not restricted to websites and other virtual worlds.

OPEN SIM GRIDS and SERVERS:

- you **MAY** import the above mentioned **BERDAV[®]** products to your personal OS based server for testing purposes. The server **MUST NOT** be publically accessible.
- you **MUST NOT** share or upload any of the above mentioned **BERDAV[®]** products in any OS based Grid or server open to public.

The **BERDAV[®] EULA** is protected by the **SecondLife[®] Terms of Service (ToS)**, the **DMCA** and by **national and international laws**.

BERDAV[®] is a registered Trademark of **BERDAV[®] marine**.
